"Our vision is educational excellence in knowledge, skills, and character with strong parent-teacher-student partnerships."

Dear Wolverines,

I hope this first week back after the break was a good one, and that you enjoyed your bonus day off last week. My kids and I really enjoyed the chance to snuggle up at home, do some baking, and play in the snow. It was nice to unplug a little bit, and was the rest break I needed before this end of the year sprint. Our semester ends on Friday, December 20 and report cards will come home the Friday after Winter Break, January 10. Look for those in your student's Friday Folder.

There are lots of community and school events coming up in the next few weeks, as well as next semester. Check out some of these opportunities, below, as well as news and reminders.

"If you're skating on thin ice, you might as well dance." ~Anita Shreve

This morning, as I was watching our Fourth Graders celebrate their Medieval Festival, I caught the teachers dancing with each other, in full costume. They had worked diligently to make this annual event a success, hand in hand with several amazing parent partners. Even though I know they were tired from the planning and preparation, they still had the energy to dress up, dance, laugh, and celebrate with our students. It made me smile and remember that we are at an amazing school.

I hope you all enjoy a great weekend with family and friends, and that some of this ice melts!
