"Our vision is educational excellence in knowledge, skills, and character with strong parent-teacher-student partnerships."

Dear Wolverines,

Happy Summer! You made it! If someone would have told me in January that we would be ending the school year this way, I would have laughed out loud. It has been a wild ride these last three months, and you have been an incredible community. None of our success would have been possible without our parent-teacher-student partnerships. Well done! I hope you are looking forward to a wonderful summer break, full of things that you love, lots of sunshine, and hopefully a little less time in front of a computer screen.

Envision Math - Summer Access and New Name

Students will continue to have access to their Envision account for June and July! Please feel free to use those resources as much as you would like through the end of July!

Also, **Pearson (the publishing company for Envision) is changing their name.** Below is a message from our Person rep:

"Last week, we announced the launch of our new brand name, so Pearson K12 Learning is now Savvas Learning Company. This week you'll start to see Savvas branding begin to replace Pearson branding across our products, platforms, customer communications, and marketing. For the next few months, you'll likely see a mix of both brands as we transition which is normal and expected for a brand transition like this."

Poudre School District Health and Wellness Center

For over 25 years, the Health and Wellness Center has provided high quality, pediatric and adolescent medical and mental health care to PSD kids! Operated by Every Child Pediatrics, **we are STILL OPEN YEAR-ROUND and ready to meet your student's medical and mental health needs.** *New and established patients are welcome!* Currently located in the Ronald McDonald Care Mobile on the east side of Lincoln Middle School.

For specific information about available services, please click [here](#) . Call 970.488.4950 to schedule or log on to: www.hwcenter.org for information and enrollment forms.

Summer Fun and Learning Links:

Please know that there is a new page on our Traut Technology website (found from the Traut website homepage quick links, or by Mrs. Morris in the staff directory). This new page is filled with fun, free, online educational resources that you, and your kids, can access over the summer. The activities range from virtual field trips, to science experiments, to being read to by astronauts, to coloring pages. Keep scrolling down the page, because there is.. holy wow, lots of stuff. Explore and enjoy! Please be advised, that while some of this content is blissfully ad free, some of this free content is full of advertisement. Parents should preview and monitor usage of this content accordingly. I so hope to actually SEE you in August! Warmly, Mrs. Morris.

REPORT CARDS

Parents will not receive a printed report card this semester. You can view your student's report card online through ParentVUE. Parents who have never used ParentVUE should have received an email on Monday, May 11 from PSD with an activation code. If you did not receive an email, or if you need help accessing ParentVUE, please visit <https://www.pdschools.org/ParentVUE>

Report cards will be available in ParentVUE by 4:00 pm, Friday, May 22nd. Please know that grades on this report card only reflect school work that was completed before Spring Break.

2020-2021 School year:

If you will be moving, or will not be returning to Traut next year for any reason, please let Belinda Nygaard know as soon as possible. She can be reached at bnygaard@psdschools.org. In addition, if you have any telephone or address changes, she would like to know these as well. Thank you!

School Supplies - Available Online

Traut is excited to once again be partnering with EPI (Educational Products, Inc.) for the opportunity to pre-order school supplies. Instead of going to the store to buy paper, pens, folders, etc. separately, you can simply pay one price and order a supply kit online. The kit includes all of the supplies your child will need for their upcoming grade. Kits will be delivered to your home no later than the week of Aug. 3rd. There are a few optional supplies for 5th graders that can be purchased at an additional fee, however 5th grade kits do not include page-ups.

To order, go to www.educationalproducts.com/shoppacks, and shop by using Traut's school ID code (TRA085). **Ordering is available now through June 18th.**

Please feel free to contact Brie McFarland at: sollod@gmail.com with any questions.

Please feel free to print or save the supply lists for next year by clicking on the links, below:

Scholastic Book Fair - Online

Parents, if you are interested in purchasing books for your children over the summer, please consider shopping the online Book Fair through Scholastic. A portion of the proceeds goes back to our TCKS library. Thank you!

You can access the book fair by clicking [here](#).

"It is good to have an end to journey toward; but it is the journey that matters, in the end." Ursula K. Leguin

This is a quote I shared with our graduating 5th graders today, but it seems relevant for all of us today. While this is not a typical ending, by any means, I am glad we were on the journey together. I hope you all have an incredible, rejuvenating, joy-filled summer. You and your students have certainly earned it!

With deep gratitude,

Dr. Kendall
