

Committees Interest Form

Committees create the ultimate partnership between parents, staff, and students. Committees are used at Traut to carry out all different types of duties from helping to choose curriculum, the hiring of staff members to planning social events, and helping with the spring track meet. The amount of time required to serve on a committee varies. There is a committee to fit any schedule, we need you!

How do I sign up? Fill out the Committee Interest Form below and the committee chair will contact you to answer any questions and tell you when the next meeting will be. Attend the meeting and see if it is a good fit for you. If it is, great! If not, just let the chairperson know that this wasn't for you and look for the next committee to serve on.
