

PERSEVERANCE
 Staying with a task until it is completed, even when it is unpleasant or difficult.

Humility
 Having a clear understanding of your abilities and limitations.

INTEGRITY
 Learning what is right and wrong, and choosing to do what's right.

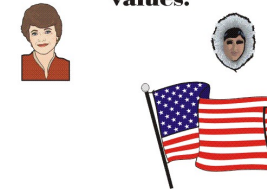

Honesty
 Being truthful with your words and your actions.

Responsibility
 Being in charge of what we say and do, accepting the consequences of your actions, and being accountable for your own learning.

Appreciation of Individual Strengths and Cultural Backgrounds
 Being considerate of others without compromising your own values.

Kindness
 Having a friendly, generous nature that builds up and encourages those around you.

Cooperation
 Working well with others.

Respect
 Polite consideration for yourself, others, property and those in authority.

CITIZENSHIP
 Learning what our democratic system is, and being ready to help as needed to make it work.

Self-Control
 Being able to manage your words, actions and emotions properly, by your own initiative, and without supervision.

Patience
 The ability to wait calmly.
